## Additional Information to help us ensure a good week for you at Red Bird

Red Bird is a challenging physical, emotional, spiritual, and community experience. We work hard. It is often hot. It is an experience that will carry you out of your comfort zone. We share sleeping quarters and bunk beds with each other and some days of Red Bird have a fair amount of riding in vans to get to destinations.

In order for us to help you have the best Red Bird experience possible we ask you to answer the following questions.

- Do you have dietary needs/limitations?

Gluten Free     Vegetarian     Vegan     Other

---

- Do you have physical limitations that would affect your work or cabin assignments?
- 

- Are you taking over the counter or prescription medications?
- 

*Special note to parents and team leaders. Should a Red Bird participant who is a minor need assistance or supervision with taking needed meds or daily functioning, it is up to you and your group leaders to have a responsible adult who will provide that assistance to your participant.*

- Do you have a special certification that would be helpful to the Red Bird Team?

RN     LPN     EMT     First Aid Cert.

# RED BIRD MISSION

July 17 – 23, 2021

## What Is It?

*A week of intense and intentional Christian Community that comes alongside homeowners in the Red Bird Valley with open hands and open hearts.*

## Why Do It?

- Clay, Pike, and Leslie Counties that are served by the Red Bird Mission are some of the poorest in the US and many homeowners need assistance to repair and improve their homes.

- It is an amazing opportunity to participants to learn:

About another part of the country and its people.

To grow personally and spiritually.

To grow skills and experiences in the trades and working with other people in challenging settings.

Want to be part of a great adventure and be part of a great mission?  
Use the attached registration form and return it to the Church Office.
